

“Quantum” MasterClass

5-7 July 2023

“Quantum” MasterClass

The “Quantum” MasterClass will introduce you to the most important quantum technologies and their possible applications. Infineon’s experts will explain you various approaches to quantum computing and quantum sensor technology and present the status of implementation at Infineon. The training modules will be complemented by workshops and tours of the manufacturing facility and the quantum laboratory in Villach.

When: 5-7 July 2023

Where: Infineon Technologies Austria

Who: Physics students

Do you know potential physics students? Spread the word!

Application Deadline: 15, June 2023

Apply now! For more information, scan the QR code or go to www.infineon.com/schools
